Poe Library Closure Alert!

The Edgar Allan Poe/Sullivan's Island Library (Poe Library) will close on Saturday, Aug. 10 at 1 p.m. to undergo renovations as part of the ongoing referendum-funded project. The library will receive an interior refresh including new paint and furniture. Once construction is underway, the renovations are expected to take several months to complete. During the closure, items placed on hold will be re-routed to the Mount Pleasant Library at 1133 Mathis Ferry Road. Items can be routed to another library by selecting an alternate location when placing a hold online or by calling one of the other open CCPL locations. Book returns will NOT be available at the branch once it is closed. Patrons can return items to any other open location.
